

Droylsden Academy is a good school

IN THE NEWS THIS WEEK

World Book Day

Last week, the Academy held a number of activities and competitions to celebrate the joy of reading and in support of World Book Day. One of the more unusual competitions was the invitation to submit a photograph of yourself reading a book in a somewhat extreme or unconventional manner and, as can be seen below, students and staff rose to the challenge! **Mia Hopkinson** can be seen relaxing with a good book in the Dentist's chair, whilst Mr Royle is turning a few pages at the top of Mount Snowdon and Mrs Fernandez has chosen a 'chilling' novel to read in her ice cave! Elsewhere, Mrs Ormerod can be found with her favourite book up in a tree whilst **Rory Hand** is reading to his hamsters and **Zach Devlin** has just got out of the swimming pool.

Great learning through politeness, honesty and hard work

Finally, Mr Palmer and **Zach** (again!) combine reading with travel and **Abass Alenezi** enjoys a P.E. lesson with his favourite book!

Meanwhile, away from the bizarre and unconventional, students from across the Academy really enjoyed the competition to guess and name the 'Book, Character or Author' from the five clues they were given, one of them being the 'wonderful' costumes that the English Department were wearing! The competition generated a real buzz in the English Open Zone with £10 Vouchers going to **Evie Quinlan, Brogan Carter and Ruben Mistry**, the first three students with correct entries out of the hat.

Great learning through politeness, honesty and hard work

Away from the English Open Zone, students from Albion House displayed their reading books aloft whilst forming the letters 'WBD' in celebration of World Book Day!

Thank you to those students who entered the competition to write their own book review and congratulations to **Molly Nash**, the winner, who won a £20 voucher for her submission. An extract of Molly's review of one of her favourite books, 'The Sun is also a Star' by Nicola Yoon, can be found below.

'The story of this book is so beautiful, and so beautifully written. It's hard to believe so much can change in a day, but I think that there are so many things to learn from this book. The universe is a strange thing and this book gave an alternative view of the world and how things happen that I think many people wouldn't stop to consider. The story itself was an original and gripping tale of classic teen romance. I couldn't put it down. I loved the characters and was absolutely heartbroken by the ending. It shows how the little things matter. What might seem small to you can mean a lot to others. I know this was just a book, but it was quite impactful for me; seeing how different people see the world. I saw the views of someone who sticks to facts contrasting with the views of someone who believes in fate and is a hopeless romantic. I would recommend this book to anyone who enjoys romance, reading or learning about different cultures and other things you wouldn't usually think about.'

Last but not least, thank you to students from Years 7 to 9 who designed and executed their ideas in creating an artistic representation of a book or character! The standard of entries was really high but we are delighted to announce that the overall winners of a £25 Voucher were **Tida Badjie Sane** and **Maria Oprea** for their 3D model of Professor Snape's 'Potions Lab'. Congratulations also go to **Zahraa Suleman**, in second place and winner of a £15 Voucher, for her 3D box model and cards and to Demi-Leigh Bellis, in third prize and winner of a £10 Voucher, for her Coraline illustration.

Great learning through politeness, honesty and hard work

Well done to the following students who also deserve a special mention for their entries too!

Alisha Maryam, Rayah Norris, Sophia Shah, Daisy Eyres, Taira Jabeen, Rachel King, Chloe Canty, Aadam Shah, Daisy Phethean, Rose McCarty, Laura-Elena Herscovici, Anya Arif, Jensen Mares, Ruby Wood, Priscilla Joel, Caitlan Skelly, Chau Hoang, Janne Raue-Lewis, Mia Hopkinson, Quyen Nguyen, Charlie Morris, Saira Khanom and Brogan Williams

Science

This week, 7XE have been investigating solubility whilst the Gardening Club have been planting potatoes, swiss chard and summer-flowering bulbs in the two new raised beds!

Great learning through politeness, honesty and hard work

Photography

This week, the Year 10 GCSE Photography Group visited Liverpool to photograph some of the iconic buildings in the City Centre and along the waterfront. The students will know edit and 'photoshop' their photographs for their coursework portfolios. The photo below shows the group 'on location'!

Back in school, the Year 11 GCSE Group have been inspired by professional 'Product Photographer' Oliver Howells and have been developing their own product advertisements. Thank you to **Usama Khan, Lukas Hall** and **Edward Bradley** for submitting examples of their work for Newsflash.

Great learning through politeness, honesty and hard work

Equality

This week, students from our Equality Group attended a working lunch to organise an Inter-House Quiz linked to Black History. The Group are also planning a session with representatives from the organisation 'Show Racism the Red Card' who will be visiting the Academy in April.

Food and Nutrition (and Maths!)

In Food and Nutrition, students from Year 9 had an 'eggcellent' time this week using different techniques to coagulate their proteins (frying, poaching, boiling and scrambling to the rest of us!), whilst Year 11 have been getting down to their revision.

Great learning through politeness, honesty and hard work

And in Maths, a group of students attended a revision session in the kitchen where they applied their knowledge of ratios and proportion to make pancakes! All the student worked really hard on both the theoretical and practical side of the session although, apparently, they are yet to perfect the art of pancake flipping!

Great learning through politeness, honesty and hard work

Year 11 Parent Teacher Evening

The Academy would like to thank those parents and carers who attended last week's Year 11 Parent Teacher Evening, we hope that meeting your child's teachers was useful and informative. Thank you also to **Molly Nash, Eunice Sarpong and Rory Hand** who staffed Reception throughout the evening, signing in parents and carers and welcoming them to the Academy.

Of the parents who filled in an Academy questionnaire during the evening:

- 98% of them agreed that their child was happy at school;
- 100% felt that their child feels safe at school;
- 96% felt that the school ensures student behaviour is good;
- 100% agreed that the Academy had high expectations of their child;
- 100% felt that their child was doing well;
- 95% agreed that the Academy lets them know how their child is doing;
- 98% felt that there was a good range of subjects for their child to study;
- 95% agreed that their child can take part in clubs and activities;
- 96% felt that the Academy supports their child's wider personal development; and
- 100% would recommend the Academy to another parent.

Sporting Success

Congratulations to **Maisy-Lea Wild** from Year 7 who competed in this year's Tameside Gymnastics competition and was awarded the Silver Medal overall, a fantastic achievement!

Maisy-Lea competed and was placed in the following disciplines:

The Beam	Gold Medal
The Vault	Silver Medal
Floor and Uneven Bars	Bronze Medal

The Electives and our Co-Curricular Programme

This week, some of the Year 7 students following the Sport pathway played Hockey, whilst others following the Outdoor Education pathway started a course about fishing!

In addition to the Electives, the table below shows the other co-curricular clubs, activities and opportunities currently on offer at the Academy! Why not get involved?

Primary School Maths Battle!

Last week, students from Years 5 and 6 from Manchester Road, Fairfield Road and St Mary's competed in the Droylsden School's Partnership Battle of the Primaries! The competition consisted of three rounds; the first round was a maths relay race, the second round was a conventional quiz and in the final round, students had to 'beat the buzzer' by answering 'quick fire' questions. It was a very close competition but the victors on the day were Fairfield Road. Well done to everyone who took part and we hope that you enjoyed yourselves as much as we did!

STUDENT OF THE WEEK

Congratulations to **Daniel Thompson** from Year 8 and **Lovisa Boakye** and **Jennifer Astle** from Year 11 who have all been nominated as Student of the Week.

Daniel has been nominated as 'Philosopher of the Week' as he consistently works hard in his Religious Studies and Life Skills lessons and is always polite and considerate. In addition, he always gives 100%, irrespective of the task in hand, and produces thorough and detailed work. Well done Daniel, keep working hard and setting the standard for your peers!

Great learning through politeness, honesty and hard work

Lovisa has been nominated by the Maths Department as she has made outstanding progress from her first to her second set of her Pre-Public Examinations. Her recent results reflect her hard work, resilience and determination to achieve and exceed her target grade and Miss Sheridan, her Maths teacher, is incredibly proud of her. Well done Lovisa!

Jennifer has been nominated by the English Department as she always works diligently and to the best of her ability. She produced some impressive responses in her recent Pre-Public Examinations and her classwork is always of a high standard. Well done Jennifer, Miss Mezzone has been delighted with your hard work, application and positive attitude!

GCSE COUNTDOWN

Year 11, there are only 7 school weeks left, just 35 days in school, until your first GCSE exam.

CAREERS EDUCATION, INFORMATION AND GUIDANCE

This week, the Library ran a series of lunch time activities and workshops, as detailed below, as part of National Careers Week!

- | | |
|-----------|--|
| Monday | 'What's your story' , an interactive session focussing on careers in the media. |
| Tuesday | 'Let's get talking' , a game aimed at encouraging discussions about your future. |
| Wednesday | 'Key qualities' , a workshop about the key qualities that increase employability. |
| Thursday | 'Dice Games' , games to promote discussion around your skill set. |
| Friday | 'Noise!' , an opportunity to make some noise about yourself! |

Student participation has been really good with students from all year groups taking part every day! The students really enjoyed the sessions on Monday and Tuesday, as can be seen from the photos below, and Mrs Ormrod particularly enjoyed reading out the facts and information during the Key Qualities workshop. One thing everyone agreed on was that Leadership, Attendance, Co-operation and Punctuality are the four key qualities required to enhance employability, not too dissimilar to the qualities that make a good student! Mr Wilson will also be pleased to know that, when prompted to give examples of good leaders, his name was up there with the likes of Barrack Obama, Ghandi, Martin Luther King Jr. and Winston Churchill, very distinguished company indeed!

Everyone who completed a session will receive a certificate and will have already received House Points for taking part. A special mention must also go to **Dylan Gillespie** and **Sadie Huckle** who completed all five sessions during the week!

Remember that there is a wealth of information on Careers Education, Information and Guidance on the Academy Website and don't forget to regularly enhance your Xello profiles via the student log in.

REMINDERS AND MESSAGES

National Day of Reflection

On Wednesday 23rd March, we are joining forces with the Marie Curie Charity and taking time to connect with and support the millions of people who are grieving and remembering the family, friends, neighbours and colleagues they, and we, have lost over the last two years.

At Droylsden Academy we are going to mark this day by writing letters and/or cards to those we would like to express our appreciation and understanding to, including parents or carers, teachers, neighbours, friends and family.

The event will take place in M18, the Humanities Open Area, from 2.35pm on Wednesday 23rd March. Miss Worsley will provide all the materials you need to create and write your cards and letter.

The Voice

The final of the Doylsden Academy 'The Voice' competition will take place on Thursday 24th March at 8.00pm in the Atrium and our finalists are:

Ruben Mistry (Year 8)

Lucas Turnbull (Year 9)

Jessica Coombs (Year 11)

Lois Connolly (Year 11)

Favour Otabor (Year 10)

Leanne Houghton (Year 8)

Anna Nwanze (Year 8)

Ben Lees (Year 8)

Tickets are £2 from Student Services so please come along and enjoy the show!

DATES FOR YOUR DIARY

The Year 11 Geography Residential Field Trips will take place over the weekends of 18th to 20th March and 1st to 3rd April.

The final of 'The Voice' will take place on Thursday 24th March.

There is a Year 8 visit to the Lowry Theatre on Thursday 24th March to watch an evening performance of 'Animal Farm'.

Parent Teacher Evening for parents/carers of Year 9 students will take place on Thursday 31st March.

The CCF Easter Camp will be taking place at Altcar from Sunday 3rd to Friday 8th April.

We will be breaking up for the Easter Holiday on Friday 8th April.

TAME RIVER
EDUCATIONAL TRUST
TEACHING & CURRICULUM
INSTITUTE

If so, why not **'Train to Teach'** with us here at **The Tame River Teaching & Curriculum Institute** through School Direct in partnership with the everyonelearning@ Hawthorns Kingfisher , Tame River Teaching and Curriculum Institute.

We are currently recruiting for **Biology, Chemistry, Physics, English, Geography, History, Maths, PE with Ebacc, Art, RE, Computer Science and MFL.**

School Direct allows Trusts and schools to request training places directly, select the ITE (Initial Teacher Education) provider of teacher training they want to work with and agree the content and focus of the training, in line with national standards for teachers.

Our new Trust, Tame River Educational Trust, plays host to training and placements in very strong schools (Mossley Hollins High School, Ofsted Outstanding, and Droylsden Academy, Ofsted Good) and we are working in partnership with other schools in Tameside. Bursaries are available!
