

<b>Topic 2 – Urban issues and challenges</b>				Revision undertaken
I can explain how urbanisation has happened at different rates and at different times in different parts of the world making reference to LIC's and HIC's.				
I can explain some of the causes of urbanisation in different parts of the world making reference to LIC's and HIC's.				
<b>Case Study of the LIC or NEE – Rio De Janeiro</b>				
I can explain why Rio de Janeiro is important nationally and internationally.				
I can explain why and how Rio de Janeiro has grown.				
I can explain, analyse and evaluate the opportunities in Rio de Janeiro including: <ul style="list-style-type: none"> <li>• Access to services – health</li> <li>• Access to services – education</li> <li>• Access to resources – water supply</li> <li>• Access to resources – energy</li> <li>• How urban and industrial areas can promote economic development.</li> </ul>				
I can explain, analyse and evaluate the challenges in Rio de Janeiro including: <ul style="list-style-type: none"> <li>• Managing urban growth – slums, squatter settlements</li> <li>• Clean water, sanitation systems and energy</li> <li>• Unemployment and crime</li> <li>• Managing environmental issues- waste disposal, air and water pollution and traffic congestion.</li> </ul>				
Using examples: I can explain and evaluate how the people of Rio de Janeiro can plan to improve the quality of lives for the urban poor.				
<b>Case Study of a HIC - Manchester</b>				
I can explain why Manchester is important nationally and internationally.				
I can explain why and how Manchester has grown.				
I can explain the impact of national and international migration on the growth and character of Manchester.				
I can explain, analyse and evaluate the opportunities in Manchester including: <ul style="list-style-type: none"> <li>• Cultural mix</li> <li>• Recreation</li> <li>• Entertainment</li> <li>• Employment</li> <li>• Integrated transport systems</li> <li>• Urban greening</li> </ul>				
I can explain, analyse and evaluate the challenges in Manchester including : <ul style="list-style-type: none"> <li>• Inequalities in housing, education and employment</li> <li>• Urban deprivation</li> <li>• Dereliction of buildings</li> <li>• Building on brown and greenfield sites</li> <li>• Water disposal</li> <li>• Urban sprawl on the rural – urban fringe and of commuter towns</li> </ul>				
Using an example: I can explain, analyse and evaluate how Manchester has undergone regeneration				
<b>Urban Sustainability</b>				
I can describe how people can live more sustainably				
I can explain how sustainable urban living can conserve water and energy, recycle waste and create more green space (BedZed)				
I can explain how urban transport strategies are used to reduce traffic congestion.
