

The Admission of Students to Droylsden Academy For 2022/23

Throughout this policy, the term “parents” means all those having parental responsibility for a child

Review Cycle: Annual Review – new policy for each academic year
Implementation Date: November 2020
Person Responsible: Headteacher
Approving Body: Governing Body

This policy complies with the requirements of the Schools Admissions Code December 2014. Droylsden Academy operates on an equal preference scheme managed by Tameside Local Authority.

Droylsden Academy is a 11 – 16 Co-educational School with a pupil admission number of 180 from September 2017 and each year thereafter.

The application process is detailed in the 'Moving On' document provided by Tameside LA, this is available to download online www.tameside.gov.uk/movingon

All parents who live in Tameside wishing to apply for a place at Droylsden Academy should use the online facility as outlined in the Moving On' booklet as above. If you live outside of Tameside, you should complete the appropriate form from your local authority and this will be forwarded to the Academy.

1. The Process

- a) The online application form will invite parents to name 6 schools/Academies in order of preference; these can be in or out of Tameside. In allocating places Droylsden Academy will be part of the equal preference scheme co-ordinated by Tameside Council, details of which can be found in the 'Moving On' booklet.
- b) The online application form will give parents the opportunity to include information to support an application to Droylsden Academy.
- c) A common timetable for all is applicable including a single notification date. The closing date for applications is the 31st October 2021. Applications received after this date will be considered after all applications received on time have been processed, this rule applies even if your child has exceptional medical or social needs, or has a sibling at the Academy. If your application is late, you may not receive an offer of a school/Academy place on National Offer Day.
- d) Changes to preferences, ranking order or student details, will not be allowed after the closing date of 31st October except in exceptional circumstances. The closing date for submission if there are exceptional circumstances is 12th November. Exceptional circumstances are applied in limited situations, for example, the family has recently moved address. Evidence must be provided to support the request. An intention to change address cannot be considered by the local authority until the move has actually taken place and proof is available, or parents may provide a solicitor's letter confirming an exchange of contracts on a property, or a tenancy agreement. No changes can be considered even where there are exceptional circumstances once information has been exchanged with the other admission bodies by the Council, because the allocations process has commenced. In the case of secondary schools/Academies this date is the 12th November.
- e) The online system will reopen two weeks after the closing date to accept late applications. Late applications will only be dealt with after all of those that have been received on time. This applies even if your child has exceptional medical or social needs, or has a sibling at the school. If your application is late, you may not receive an offer of a school place on National Offer Day.
- f) The LA will liaise with Droylsden Academy over applications. Governors will apply the Academies oversubscription criteria, irrespective of the preference order, and provide the Local Authority with a list of applicants ranked according to the criteria.
- g) Notification letters containing offers of a single school place will be sent out to parents in accordance with the coordinated admissions scheme. This is common with all other LAs nationally. These letters will also inform parents of their right of appeal, and who to contact, if an application to Droylsden Academy has not been successful.

Throughout this policy, the term "parents" means all those having parental responsibility for a child

- h) Parents will not receive multiple offers.
- i) If the school is oversubscribed, the Local Authority will maintain a waiting list. The waiting list will operate until the end of the Autumn Term 2022. Parents who have expressed the school as a preference and have not been offered a place at the school, or at a higher preference school, will automatically be placed on the waiting list. All students on the waiting list will be ranked according to the oversubscription criteria. Places will be offered to the highest ranked application received by the date the place becomes available. If new or late applications have a higher priority under the oversubscription criteria, they will be ranked higher than those who have been on the list for some time. If the circumstances of children on the waiting list change (eg they move house) they should inform the Local Authority immediately and provide appropriate supporting evidence).

2. Published Admission Numbers for Droylsden Academy and Over Subscription Criteria

- a) The published admission number for Year 7 is 180 students.
- b) Where the number of applications for admission is greater than the published admissions' number, applications will be considered against the criteria set out below. They will be applied in conjunction with explanatory notes 1 - 5 which form part of the admissions' arrangements and can be found at the end of this document.

After the admission of students with Education, Health and Care Plans, where the Academy is named in the Plan, the criteria will be applied in the following order:

1. Looked After Children (Note 1).
2. Children and families with exceptional medical or social needs (Note 2).
3. Sibling: This will apply where there are brothers or sisters attending the school at the time of application, who will still be attending at the time of admission, i.e. in the September when the student is admitted to Year 7. Preference will be given to students living nearest to the school.
4. Sibling criteria may apply where, at the time of application, an older sibling is expected to be on roll when a younger child starts at the Academy. If the older sibling unexpectedly leaves the school after an offer has been made to a younger child the offer of a place would not be withdrawn on these grounds (Note 3).
5. Children attending named partner primary schools at the time of application (Note 4). Preference will be given to students attending named partner primary schools who live nearest to the school (Note 5).
6. Children of staff – this will apply where:
 - a) A member of staff has been employed by the Governors of the school on a permanent contract for 2 consecutive years or at the time at which the application for admission to the school is made, and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
7. All other applications on distance (Note 5). In the event of distances being the same for 2 or more applications where this distance would be the last place/s to be allocated, the place will be allocated to the student that is nearer using walking distance as measured using the Local

Throughout this policy, the term "parents" means all those having parental responsibility for a child

Authority's school admission data mapping software.

3. Appeals

Parents who are unhappy with their child's school allocation have the right to appeal to an Independent Appeal Panel.

The members of the Appeal Panel are totally independent and will not have any connection with either the Council or the school you have applied for. If they decide you have a good case, in certain circumstances, they can give you a place.

The Appeal Panel will look at the impact on your child and family that comes from not being admitted to the school, and compare it to the impact on the school and other children in the school if more children are admitted.

You can only appeal about a place at a school you have applied for after you have been refused a place in writing.

You can also only appeal for a place that was a higher preference on your original application than the place you have been given.

You can only appeal for admission of your child to a particular school once a school-year, unless there's a major change in your circumstances, such as moving house.

If your child has been excluded from two or more schools you cannot appeal for two years from the date of the last exclusion.

The appeals process is as follows:

- a) To appeal for a place at a Tameside Community High School, an Academy, or Voluntary Aided School, please complete and submit the online form which can be found at

<https://www.tameside.gov.uk/schools/admissions/appeals>

by 25th March 2022 stating your grounds for appeal. Any forms received after this date may be heard after others for that particular school. If you are appealing for a voluntary aided school or academy your appeal will be forwarded to the relevant school.

- b) All appeals will be heard separately. Every effort will be made to hear appeals before the start of the Autumn Term, but no guarantee can be made that appeals submitted after the deadline will be heard by September.
- c) You will be given 10 school days' notice of your appeal hearing date, and you will be sent a copy of the school's case. You can attend the hearing to present the case for your child. You may bring a friend or representative along. At the meeting, a representative from the school or the council will present the school's case.
- d) The Clerk to the Panel will inform you in writing of the Panel's decision. The decision is binding and parents have no further right of appeal for the same school in the same school year, unless there has been a significant change in circumstances.
- e) Please note that no places are 'held back' for appeals

Throughout this policy, the term "parents" means all those having parental responsibility for a child

- f) Parents of students with an Education, Health and Care Plan have the right to appeal to the SEND Tribunal.
- g) Whilst you are awaiting your appeal it is important that you consider alternative schools (including the one that has been allocated for your child) in case your appeal is unsuccessful.
- h) If you wish to appeal for a school in another Local Authority area, you should contact the Admissions Team in that LA for advice.

Full details about the appeals process can be found online at:

<https://www.tameside.gov.uk/schools/admissions/appeals>

This is the preferred method for appealing a decision, however, there is also a dedicated School Appeals email address which is:

SchoolAppeals@tameside.gov.uk

4. Requests for admission outside the normal age range

Parents are entitled to request a place for their child outside of their normal age group.

Parents considering requesting a place for their child outside of their normal year group should contact the school in the first instance.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 2. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

5. In Year Admissions

Throughout this policy, the term "parents" means all those having parental responsibility for a child

You can apply for a place for your child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose EHCP names the school will be admitted. Likewise, if there are spaces available in the year group you are applying for, your child will be offered a place. For applications for in-year admissions you should use the application form provided by your home local authority (regardless of which local authority the schools are in).

Explanatory notes to be read in conjunction with the Over Subscription Criteria listed in Section 2

Note 1

Looked after children or children who have previously been looked after but immediately after being looked after become the subject of an adoption, residence or special guardianship order. This includes those children who appear, to the Admission Authority, to have been in state care outside of England, and ceased to be in state care as a result of being adopted (See Section 1.7 of the Admission Code).

Note 2

Written evidence must be provided by a suitably qualified professional – e.g. a GP or consultant for medical needs, or a social worker for social needs - that he/she has exceptional needs, which means that admission to a particular school is essential. A panel of governors from the Academy will make a decision as to whether to admit a child under this criterion using the evidence provided. All information provided will be treated in the strictest confidence.

Note 3

Sibling includes: natural sisters/brothers; half-sisters/brothers; step sisters/brothers; adopted sisters/brothers; sisters/ brothers of fostered children, and in each case living at the same address. This allows for the admittance of children whose siblings will still be attending the preferred school.

Where the last place to be allocated would mean that a sibling group i.e. twins, triplets or other multiple birth sibling groups would be split, the sibling group will be given priority over other children.

Note 4

Droylsden Academy's Partner Primary Schools are:

- Aldwyn
- Audenshaw
- Fairfield Road
- Greenside
- Manchester Road
- Moorside
- Poplar Street
- St Anne's RC Audenshaw
- St Mary's C of E Droylsden
- St Stephen's C of E
- St Stephen's RC Droylsden

Note 5

Preference will be given to students living nearest to the school. The address from which distances are measured will be the permanent principal residential address, at the time of application, of the parent (as defined in the introduction to the TMBC Moving On booklet, "We're Here to Help"). The Academy will

Throughout this policy, the term "parents" means all those having parental responsibility for a child

not take into account an intention to move to another address without a solicitor's letter confirming an exchange of contract for purchase of a property, or a long-term agreement for renting a residential property.

When a child lives with parents who share responsibility, each for part of a week, the home address, for the purpose of distance measurements and travel considerations, will be that from which the child travels to school for the majority of school days during a normal school week.

Distance will be measured as a straight line from the child's home address, using the address point assigned by the National Land and Property Gazetteer, to the main gate to the school property. Measurements will be made using the local authority's school admissions data mapping software, which uses a Geographical Information System based on Ordnance Survey.
