## Section 2 – Staff

### Recruitment

Droylsden Academy ensures that only ‘suitably qualified and experienced adults’ are employed in the management, administration and conducting of examinations and assessments. This is supported by the safer recruitment process which includes:

- completing an application form which includes their employment history and explains any gaps in that history
- providing two referees, including at least one who can comment on the applicant’s suitability to work with children
- providing evidence of identity and qualifications
- verifying their mental and physical fitness to carry out their work responsibilities
- verifying their professional qualifications, as appropriate
- carrying out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK, including (where relevant) any teacher sanctions or restrictions imposed by a European Economic Area professional regulating authority, and criminal records checks or their equivalent
- asking for written information about previous employment history and check that information is not contradictory or incomplete. We will seek references on all short-listed candidates, including internal candidates, before interview. We will scrutinise these and resolve any concerns before confirming appointments.
- if offered employment, be checked in accordance with the Disclosure and Barring Service (DBS) regulations as appropriate to their role. This will include:
  - an enhanced DBS check and a barred list check for those including unsupervised volunteers engaged in Regulated Activity
  - an enhanced DBS check without a barred list check for all volunteers not involved in Regulated Activity but who have the opportunity of regular contact with children
  - ensuring that this member of staff has a subscription to the DBS Update Service (where relevant)
- if offered employment, provide evidence of their right to work in the UK
- be interviewed by a panel of at least two school leaders/governors, if shortlisted]

### DBS check information

All information on the checks carried out on those who are employed solely for the purpose of periodic exams-related activity, such as external invigilators/facilitators, will be recorded in the centre’s single central record (SCR). Copies of these checks, where appropriate, will be held in individuals’ personnel files.

### Existing staff

If there are concerns about an existing member of staff’s suitability to work with children, all relevant checks will be carried out as if the individual was a new member of staff. This action will also be taken if an individual moves from a post that is not regulated activity to one that is.

Anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult will be referred to the DBS:

- Where the ‘harm test’ is satisfied in respect of the individual (i.e., that no action or inaction occurred but the present risk that it could was significant)
- Where the individual has received a caution or conviction for a relevant offence
- If there is reason to believe that the individual has committed a listed relevant offence, under the Safeguarding Vulnerable Groups Act 2006 (Prescribed Criteria and Miscellaneous Provisions) Regulations 2009
- If the individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

### **‘Break in service’**

To comply with ‘break in service’ regulations, all external invigilators/facilitators will be required to register with the DBS Update Service on an annual basis and provide consent for the designated senior member of staff in charge of safeguarding arrangements to carry out an online check to view the status of their existing enhanced DBS certificate. This will not apply to any invigilators who meet the ‘frequency test’ at Droylsden Academy – e.g., working 3 or more times in a 30-day period, or attending the centre at least every 3 months for training, updates etc.

By registering with the Update Service, these staff will be permitted to attend on any day during an exam series (providing they can supply an updated Disclosure Certificate and ID) without the need for additional checks or any additional attendance at Droylsden Academy

### **Agency staff**

Written notification will be obtained from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. A check will also be performed to confirm that the person presenting themselves for work is the same person on whom the checks have been made.

### **Section 3 – Supporting Staff**

All exams staff at Droylsden Academy are made aware of the good practice guidelines and staff code of conduct in relation to child protection and safeguarding.

They are informed and updated on the contents of the centre Child Protection and Safeguarding Policy by training sessions, online information and hard copy documents.
