#### Introduction

It is the responsibility of the head of centre to ensure that Droylsden Academy has a written conflicts of interest policy in place available for inspection. This policy confirms that Droylsden Academy:

- Manages conflicts of interest by informing the awarding bodies, before the published deadline for entries for each examination series, of:
- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units **and** maintains clear records of **all instances** where:
- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which do not include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

## **Purpose of the policy**

The purpose of this policy is to confirm how Droylsden Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

## **General principles**

A process is in place to collect any declaration of interest from all centre staff to identify and manage any potential conflicts of interest.

## **Declaration process**

A electronic copy of the declaration of interest form is sent to all staff in October. Completed forms must be returned to the exams officer by December half term.

## **Managing conflicts of interest**

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
