Changes 2023/2024

(Added) Under **Purpose of the process**: This process also supports [centre name] being able to confirm to an awarding body the external governance arrangements so that the awarding body has confidence in the integrity of centre activities such as the delivery of qualifications and the conducting of examinations and assessments.

(Changed) Headings under **Centre management**: to reflect changes in GR 5 - Recruitment, selection, training and support - External and internal governance arrangements

(Added to) **Entries** (including ensuring appropriate controls are in place which allow accurate entries to be submitted to the awarding bodies) and to Centre assessed work (including ensuring appropriate controls are in place which allow accurate internally assessed marks to be submitted to the awarding bodies)

(Added) Under **During examinations**: The centre also has in place a member of the senior leadership team who will provide support and guidance to the examinations officer and ensure that the integrity and security of examinations and assessments is maintained throughout an examination series.

~~(Added) Under **After examinations**: The centre also has in place two members of the senior leadership team who will act as an emergency point of contact for the awarding bodies. They have the authority to liaise across the centre and ensure that any issues, queries, raised by an awarding body are successfully resolved prior to the publication of results. The head of centre is required to provide this information on an annual basis to the National Centre Number Team.~~

(27/09/2023) (Deleted the above and reworded in a new statement field) As a contingency to enable the prompt handling of urgent issues only, the centre responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. The head of centre will ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself (GR 5.3)
